EDUCATION

Ocean University of China Qingdao, China

Ph. D. candidate in Marine Chemistry (Advisor: Rui Bao, Lei Xing) 2024—Current

Ocean University of China Qingdao, China

Master candidate in Marine Chemistry (Advisor: Rui Bao) 2022—2024

Qingdao University of Science and Technology Qingdao, China

B.S. in Marine Science 2018—2022

RESEARCH INTERESTS

Radiocarbon distribution in the deep-ocean sediment; Seamount-induced organic carbon cycle; Methane-derived carbon cycle in the South China Sea;

RESEARCH EXPERIENCES

Conferences

2023: **7th Conference on Earth System Science** (Shanghai, China), poster presentation

2025: **7th Xiamen Symposium on Marine Environmental Sciences** (Xiamen, China), poster presentation

Scholarship & Grants

2020: Outstanding Students of Shandong Province

2022: Outstanding Graduates of Shandong Province

2023: Outstanding Graduate Students of Ocean University of China
